

Honor a special mom this Mother's Day while helping Burrowing Owls on Marco Island!

Adopt a Burrowing Owl for \$100.00 as a gift for a special mom, or make a donation to Audubon of the Western Everglades(AWE) Owl Watch Program in honor of, or in memory of, a special mom.

Our burrowing owl adoptions include 6 notecards of burrowing owls, a certificate of adoption personalized with your Mom's name.

Or, make a donation in honor of a special mom and she will be informed of your thoughtful donation to AWE's Owl Watch Project in her honor.

You can also make a donation in memory of a special mom. We can inform a third party of your donation to AWE's Owl Watch Program in memory of a loved one if you would like. Just provide us with the name and address that you would like the notification of your donation to be sent to.

PS: When adopting or donating online, please let us know that this is a **Mother's Day adoption or donation** by writing **'MOTHER'S DAY'** in "Additional Comments" box on the online form, so that we can process it accordingly. Also, you can tell us any other information that you need us to know regarding the processing of your adoption or donation in either of those boxes.
